ADVERTISSEMENT AV LECTEVR PAR LE SEIGNEVR

Federic de Vinçiolo.

E croy que tu n'ignores point (amy Lecteur) quel grand & penible labeur i'ay peu prendre, à cy deuant depaindre & metre en lumiere, grande quantité d'excellens patrons d'ouurages contenus en ce present liure, lesquelz pour equitablement aproprier la chose, ont esté dediez à la Maiesté de la Royne. Et toutesfois bien que l'aye cosommé vne longue espace de temps, à l'inuention de cet œuure, & à recercher & subtiliser soigneusement tous les points de chacun portrait, si est ce, qu'estant deilemét certioré de l'vtilité & proffit que i'ay aporté en le faisant à plusieurs, qui par mesme moyé ont pris singulier plai sir à imiter les dits portrais, Il m'a semblé qu'encores ie n'auoy rien fait, si d'abodant ie ne te faisois part, d'vne autre nouuelle bande d'ouurages, laquelle ie t'auoy promise des la premiere impression de ce liure: A ceste e cause pour ne te manquer de promesse, & subuenir aux d'oléances de quelques Dames, qui se sont plaintes que ie ne m'estoy amusé à leur dépaindre du reseau assez beau à leur fantasie, i'ay bien voulu pour la quatriesme fois, inuenter & mettre deuant tes yeux, plusieurs nouueaux & dif ferens portrais de reseau de point conté, que i'ay cousus & attachez à la fin de mes premieres figures, comme tu pourras veoir en les particularisant: au. dessoubz desquels pour plus grande & facille intelligence, & te releuer de peine, i'ay mis le nombre & la quantité des mailles, que chacun portrait peult auoir & contenir. Au demeurant, ie t'asseure que ie ne pense y auoir rien oublié de mon pouvoir, pour te les rendre & representer beaux & aggreables à l'œil. Te priant que s'il s'en treuve quelqu'vn, qui ne soit peult estress beausque tu le desires, ne condemner pour cela mon œuure, ni la bonne volonté que ie porte à la nation Françoise, à laquelle ie prie Dieu estre en tout temps secourable.

Trois Dieux furent parreins du troisiéme Henry, Iuppiter, Mars, Phœbus: cette perle Lorraine Vne triple Deésse eut pour triple marreine, Pallas, Venus, la grace au chef toujours sleury.

A LA ROYNE.

Adame, celuy qui peut recouurer quelque chose nouuelle des pays estranges s'estime bien heureux d'en faire vn present à quelque grand personnage, sçachant qu'en cela il le gratifie d'auantage que s'il luy donnoit quelque chose commune, encor' qu'elle fust de grand prix & valeur. Ainsi ayant recouuré de l'Italie quelques rares & singuliers patrons & ouurages de l'ingerie, & en ayant inuenté quelques vns, selon mon petit sçauoir, l'ay pensé, puis que ces choses là appartiennent principallement aux Dames, que ie ne ferois parauenture mal de m'aduancer & m'enhardir les presenter à vostre Majesté, tant à fin qu'elle y prenne quelque contentement, que pour le desir que l'ay que chacun congnoisse que si ces patrons & pourtraicts ameinent quelque profit & vtilité à la France (comme l'on m'asseure qu'ils feront veu que quelques vns moins parfaicts, & plus rudement ébauchez ont serui & profité cy deuant)elle vous en doit principalement estre tenuë, pource que ie les ay faits pour vostre regard, & à fin d'en conte nter vostre œil, tant gracieux & debonnaire que volontiers il verra & l'œuure & l'ouurier qui ne desire rien plus que de faire chose qui luy soit agreable, & souz l'esperance que vous prendrez en gré ces inuentions, que ie m'attens vous augmenter en bref, Dieu aydant, de plusieurs autres differens patrons & pourtraits, ie prie Dieu,

Madame vous donner heureuse & longue vie, & l'accomplissement

de vos bons desirs. Ce 12. Iuillet 1589.

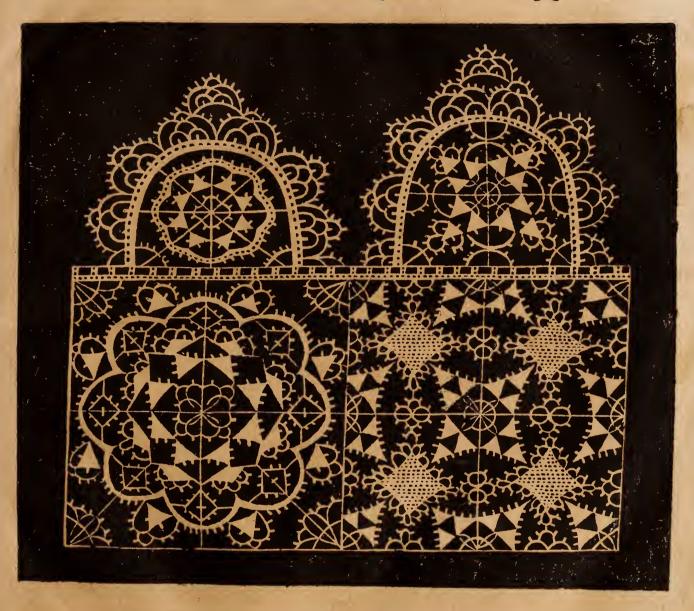

Vostre tres-humble & tres-obeissant seruiteur & subica, Eleazaro Thomysi.
